Pocono Mountains United Way

2024 Sponsorship Opportunities

A MESSAGE FROM THE PRESIDENT/ CEO

Dear Valued Pocono Mountains United Way Partner,

Financial Support is an Investment in our Community.

You are the reason that our work, our mission, and our entire community is stronger.

You are the Reason we bring and support programs to improve the health, education, and financial stability of everyone in our county. Together we provide a hand up and enable people to improve their lives.

You are the Reason we brought on two new programs this year. They aim to promote equitable access to education, rental housing, home ownership, and community leadership.

You are the Reason we can look to the future to take on long-term efforts to improve affordable housing, mental health, and workforce development while being nimble and responsive to immediate needs.

Your support is truly a community investment. When your investment helps a family stay housed and working, the return is a stronger local economy.

When your investment helps a student be the first in their family to go to college, the return is another bright mind to help grow a local business or take on a political leadership role.

When your investment helps a child get better prepared to start school, the return is more graduations and fewer dropouts.

More information about these initiatives and events are in the pages to follow.

Together, everyone benefits when we LIVE UNITED to build a strong, thriving community. Thank you.

Yours in service,

Michael B. Tukeva
President/ CEO at Pocono Mountains United Way

Back To School

Back to School Backpack & Supply Drive

Our Back-to-School Backpack and School Supply Drive has become one of our most popular programs. This year, we're stepping up to meet the growing demand in our community. We're reaching out to schools, childcare facilities, and other agencies to find out how many backpacks are needed. With the support of sponsors, we'll buy and distribute these backpacks. Any extra funds will go towards our Healthy Start Early Childhood Screening Program, ensuring the next group of students is all set when it's their turn to bring a backpack to school.

Our back-to-school drive is getting bigger and better. In 2023, over 30 sponsors, nonprofits, and community organizations came together to make it happen. And in 2024, we're planning to do even more! Every student deserves to start the school year with the basic supplies they need for educational success.
