

## Show Your Support for Early Learning

Early Learning PA is a coalition that advocates for access to voluntary, high quality early care and education and healthy development opportunities for all Pennsylvania children. It focuses on 5 key components: high quality pre-kindergarten, childcare, home visitation, perinatal and child health, and early intervention. We need individuals like you to sign-on support and show Pennsylvania legislators that early learning in PA is important. Completing the form below indicates your support for the 2024 Early Learning PA, Childhood Begins at Home, Thriving PA, Pre-K for PA and Start Strong PA campaigns. Please fill out the support form online or below as an individual and/or an organization and email completed form to [Roxanne@PoconoUnitedWay.org](mailto:Roxanne@PoconoUnitedWay.org).
