Farda Family Dedicated to Helping Our Community

Pocono Mountains United Way and our community have been truly blessed to have the support of The Ann & Joseph Farda Foundation for many years. The dedication that Ann and Joseph showed for our community is truly amazing and that spirit of giving continues to be passed down through the Farda family, keeping their spirit of giving alive.

"Ann and Joseph Farda taught us that a community is only as strong as the commitment of its members," said Ann & Joseph's son, Tony Farda.

Please take a moment to read more from Tony about his parents and their dedication to United Way [on our website](#).

We want to thank the entire Farda family for their continued support of Pocono Mountains United Way and other worthwhile organizations in Monroe County!
