Volunteers Help Spread The Spirit of Community Giving

Over 120 volunteers came out to support our community for the Annual Day of Caring on September 11th! These amazing individuals came out to help agencies throughout Monroe County with a variety of projects from painting to landscaping to shopping with visually impaired clients to delivering meals to home-bound residents. We want to thank every volunteer who came out to work side-by-side with their friends, coworkers, and neighbors to help improve Monroe County!

Special thanks go out to our event sponsors **St. Luke's University Health Network - Monroe** and **Pocono Mountains Visitors Bureau** for supporting this year's Day of Caring and to **Barley Creek Brewing Company** for providing the venue and amazing breakfast to help our volunteers start their day!

THANK YOU FOR SUPPORTING OUR COMMUNITY!
