ELS MEMBERS VOLUNTEER TO HELP LOCAL AGENCY

Members of the Emerging Leaders Society (ELS) and PMUW staff rolled up their sleeves during a special volunteer event to support Pocono Services for Families & Children at the former Ramsey School. The ELS crew spent their time painting, landscaping, and a variety of other hands-on improvements.

We want to thank all of those who came out in an effort to help PSFC create a better, brighter space for local children and families!

COMMUNITY IMPACT

GENERATION NEXT WRAPS UP A YEAR OF EXPLORATION

This school year, 50 motivated sophomores and juniors participated in the Generation Next program, with a growing reputation so strong that we welcomed new students referred by their own classmates, resulting in a waiting list for the first time!

Throughout the year, students visited five colleges, covered meaningful life and career skills and learned how to care for their mental health through coping strategies like journaling, meditation, exercise, and music. They also explored the importance of social media safety and maintaining a positive digital footprint—essential for college admissions and future job opportunities.

It's been a year of discovery and personal growth—and we can't wait to see what's next for these future leaders!
