BIG TURNOUT, BIGGER IMPACT: VOLUNTEERS POWER DAY OF CARING SUCCESS

We are so happy to announce that 180 volunteers came out to support our local agencies in Monroe County during the annual Day of Caring in September! Whether they were volunteering as a part of a corporate team, as an individual, or serving with friends and family members, volunteers went in with a passion to help their community and came out with full hearts knowing that they had made an impact. We want to thank everyone who came out to volunteer for the day and the sponsors who helped make this year's Day of Caring such a success!
